COVID-19 Information:

ABAI's priority is always the safety of our members and exhibitors. Please know we are closely monitoring CDC guidelines and local recommendations to ensure attendees have a safe and productive in-person convention experience.

Guidelines and recommendations change quickly. We recommend double-checking all local guidelines, especially regarding testing requirements, a week before your planned departure. Currently there are no requirements for entry to the event. We do highly suggest social distancing and masks when there though.

Scam Alert!

Please do not be fooled by anyone contacting you offering discounted room rates or attendee information. ABAI does not supply attendee lists to anyone, and all hotel rooms should be booked directly through the hotel itself.
