ABAI Exhibit Terms and Conditions

Exhibit Approval Process

ABAI reserves the right to determine the suitability of all exhibits and advertisements submitted and to reject those inconsistent with its mission. All exhibits will be reviewed and approved by the ABAI Practice Board. You will receive confirmation from the ABAI office when your application is approved. The exhibiting or promotion of services, products, or equipment at the ABAI exhibit does not constitute endorsement by ABAI. An exhibitor is not permitted to represent in any manner that its goods or services have been endorsed by ABAI.

Space Assignment

All applications for exhibit space at the ABAI Annual Conference must be made on the official contract form included here. Space is assigned on a first-come, first-served basis. You must reserve exhibit space by 11/15/2024 for your information to be printed in the Conference program book.

Set-Up/Tear-Down

All crates must be unpacked and ready for removal according to the exhibit services company schedule. Crates not unpacked will be removed and stored at the exhibitor's expense. Empty boxes not properly stored will be discarded. Any service personnel charges will be the exhibitor's responsibility (see "Booth Decorating" below). No set-up or moving of material or equipment is permitted during exhibit hours. In order to better serve Conference attendees and ensure security, exhibitors must have their booths open and staffed during all exhibitor hours. (Note: times are subject to change.) Any exhibit space not occupied by the end of move-in hours is subject to reassignment or resale by the association without refund, unless prior approval is obtained in writing from ABAI.

Dismantling

All exhibit booths must remain open and staffed for the entire duration of the exhibition. Your exhibit booth must be set up and dismantled according to the exhibit services company schedule. Please review the exhibit schedule provided to you or on the ABAI website before making travel plans. **To maintain the integrity of the exhibition, all exhibitors are required to remain open until the**

close of the exhibit hall. Exhibitors who dismantle early may be subject to a 1-year suspension of exhibit privileges.

Deposit

A **50% deposit is due by 09/01/2024** and is required to hold your booth. The **balance is due by 11/15/2024**. (60 days prior to the event.) Failure to remit the balance by the dates specified constitutes cancellation of the contract, and the reserved space will be subject to resale without refund of deposit. **Payment in full is required before set-up on the exhibit floor.**

Cancellation

Should an exhibitor wish to cancel a reservation before 11/15/2024 a 30% administrative and pre-event advertising fee will be held. Cancellation after this date obligates the exhibitor to full payment. No refunds will be made after this date. All cancellations must be in writing.

Booth Representatives

Each exhibiting company will receive two exhibit-hall-only badges and one complimentary full Conference registration with the booth fee. Additional booth representatives will be required to register for the Conference.

Subletting

Exhibitors may not assign, sublet, or apportion the whole or any part of the space allocated to them, or the exhibit therein, or permit any other person or firm to exhibit therein any goods other than those manufactured or distributed by the exhibitor in the regular course of business, without written consent from ABAI.

Booth Layout

No exhibit will be permitted to span an aisle by roofing or floor covering. The exhibit should be installed so as not to project beyond the space allotted or obstruct the sight lines of or otherwise interfere with other exhibitors. Exposed unfinished sides of exhibit backgrounds must be draped to present an attractive appearance. Inspections of the exhibits will be made during set-up time and an effort made to advise exhibitors of any deviation from the exhibit rules. In the event an exhibitor is not available at the time of inspection, the exhibit manager will order

necessary draping, and costs will be charged to the exhibitor.

Booth Decorating

Exhibitors are responsible for any items necessary for their displays, including furniture, material handling, draping, accessories, signs, electrical outlets, and so on, beyond those provided by ABAI. Order forms for these items will be provided in an exhibitor service manual from the official decorator and will be available online.

Care of Exhibit Space

Exhibitors must surrender space occupied by them in the same condition it was in at the commencement of occupation. Exhibitors or their representatives shall not injure or deface the walls, columns, floors, or furniture of the exhibit facilities. All property destroyed or damaged by the exhibitor must be replaced in its original condition by the exhibitor at his or her own expense. **The exhibitor shall be liable for all property damaged.**

Direct Sales

Exhibitors may only promote products from their booths and take orders. No direct selling by exhibitors is permitted. All organizations centered around selling products will be required to sign an additional no-sale agreement.

Canvassing

Canvassing or distributing advertising materials outside the exhibitor's own space is not permitted. It is strictly prohibited to publicize and/or maintain any extracurricular activities, inducements, or demonstrations away from the exhibition area during the exhibit hours.

Security

ABAI will provide limited roaming security in the hall throughout the event. Do not leave items of value unattended. Exhibitors will be responsible for the security of booth materials and personal items at all times. Valuable items inside the booth space may require additional security at the exhibitor's own expense.

Noise and Equipment

Electrical or other mechanical apparatus must be muffled for noise and positioned so as not to interfere with other exhibits. X-ray equipment may not be operated. Volatile or flammable oils, gases, unprotected picture film, other

explosive flammable material, or any substance prohibited by city laws or insurance carriers are not permitted on the premises.

Outside Exhibit Contractor

If an exhibitor chooses to use its own contractor for material handling; labor; rental of mechanized equipment, standard and specialty furniture, carpet, or flooring; staging; exhibit rental; installation and dismantling labor; or transportation, the exhibitor must provide the following to the official decorator at least 30 days prior to the Conference move-in date (i) a written statement setting forth the identity and intended use of the contractor and (ii) evidence from the contractor of the following minimum insurance coverage: (a) workers' compensation insurance in the minimum amount as required by state law; (b) automobile liability insurance in a minimum amount of \$2 million covering all owned, hired, and non-owned vehicles; and (c) commercial general liability insurance in a minimum of \$2 million. Additionally, the contractor must list the official decorator and ABAI as additional insured on the policies.

ADA Compliance

The exhibitor agrees to ensure that its exhibit booth space is in compliance with the Americans With Disabilities Act (ADA). To comply with the ADA, exhibitors should make every effort to accommodate attendees who are disabled.

Liability

Insurance and liability are the full and sole responsibility of the exhibitor. Neither ABAI; nor any of its officers, employees, or representatives; nor the owners, employees, or representatives of the official decorator or the Conference center shall be responsible for injury, loss, or damage that may occur to the exhibitor's property prior to, during, or subsequent to the exhibition period, provided such injury, loss, or damage is not caused by the negligence or willful act of one or more of the aforementioned parties. Exhibitors, by accepting space and making application for space, acknowledge the above terms and expressly release the above-named association, individuals, and firms from any, and all claims for such loss, damage, or injury.

Communication

The communications policy applies to all forms of written and verbal communication, including correspondence and online communications, as well as presentations and in-

person communications. The policy is designed to preserve the mission of ABAI as a scientific organization and the safety of members, non-members, and staff. Communication is meant to stimulate respectful conversation, share information, and invite dialog, not to create unnecessary conflict. ABAI values diverse opinions but expects members to express those opinions in an appropriate manner that is not offensive, demeaning, or derogatory. ABAI strictly prohibits defamatory, abusive, profane, threatening, offensive, and illegal content and actions. All communications should be professional in nature. When in doubt, if the language would not be used or allowed in a work setting, it is likely not appropriate. Remain cognizant of how communications could potentially be perceived as offensive and/or bullying.

Please observe the following guidelines:

Stay on topic. When engaging in online or in-person communication, please keep comments on topic. Communication should be relevant to the scientific community and rely on accurate, verifiable information as much as possible. Communications should not be used for commercial solicitations including solicitations for money, goods, or services for charitable purposes or private gain, unless you have obtained proper permission.

Do not bully or harass others. We welcome professional and thoughtful dialogue on issues relevant to our mission. If you disagree with another person's opinion, please keep your communication respectful and intended to promote scientific dialogue. Do not threaten, bully, or harass other users.

Refrain from using hateful speech. Be respectful of others. Communications that may be perceived as an attack on other users based on their race, ethnicity, national origin, religion, sex, gender, sexual orientation, disability, or medical condition will not be tolerated. All presenters at ABAI events are expected to abide by this policy. Discriminatory and derogatory language with respect to individuals or groups based on their personal characteristics (e.g., race, gender) will not be tolerated at ABAI.

Do not use vulgar language or profanity. Although some terms might be informally accepted between friends, it is best to avoid using these types of language at all times.

Observe confidentiality laws at all times. Do not share confidential information inside or outside of the organization. This includes but is not limited to individual names, addresses, telephone numbers, and email

addresses, if the individual has not given consent. Online communication platforms are open to anyone and intended for behavior analytic practitioners, scientists, researchers, and students; they are not an appropriate place for patients to seek information. ABAI requires all member communications to omit all identifying information from historical data and images, and to comply with Health Insurance Portability and Accountability Act (HIPAA) restrictions regarding protected medical information.

Observe fair use, copyright and disclosure laws. Always list the source of copyrighted materials and ensure you have permission to use them. This includes pictures, charts, graphs, tables, and excerpts of text. Materials that have not been authorized by the source for release should not be shared.

Be truthful. Never represent yourself in a false or misleading way. All statements must be true; all claims must be substantiated.

Violation of Communication Policy

ABAI reserves the right to take any action deemed appropriate for violations of this policy including but not limited to issuing a warning, removing content, and restricting access to group communications.

ABAI Rights

We reserve the right to update or modify this communication policy at any time and without prior notice, by posting the revised version on this site.
